Happiness had started the season, but defeat was the predominant feeling facing the team near the end, with our record standing 4-6. Pride and joy still came through with the many honors received by the players. All-City Offense team: Tioga Moore, Steve Walters, Doug Westfall. Defense team: Rick Chamberlin, Mike Ronemus, Mike Young, Gary Thomas. All-W.O.L., first team: Mike Young. Second team: Mike Ronemus, Jeff Ellis. Unfortunately, the coaches were unhappy that more of the boys hadn't been chosen for All-City or All-W.O.L. But with 14 Lettermen returning, the Panthers should have a promising '73 season.

North High band

It takes a lot of hard work and dedication to get a band to play in tune and march in step, and to get a drill team to kick and dance in rhythm. This year's marching band consisted of 96 members who put in the time and energy to make it one of the best marching bands in North's history. Among their many accomplishments was their placing 3rd in the Zanesville Band Contest. Yes, North is proud of its fantastic marching band.

The Panthers compiled 12 wins and 3 losses to complete another great season. Captain Sean Diltz and Bill Arnold qualified for the District Meet placing 9th and 54th respectively with Diltz going on to place 18th in the State Meet. Sean was recognized as Most Valuable Runner and a member of the 900 mile club, with the Gold Brick award going to Ben Baldwin.

Varsity: second

This year's Panther squad had a tough act to follow. After last year's squad went undefeated, they were in the unenviable position of trying to duplicate that feat. They almost did! With only two returning starters, Kevin Hill and Randy Ayers, the Panthers proceeded to end with the second best regular season in the history of the school, 16-2. In addition to winning the Co-Championship of the tough WOL along with Fairmont East, North won the Dayton-Journal Herald trophy as the No. 1 AAA school in this area. After a disappointing overtime loss to Springfield South in their opener, they regrouped and continued their season by losing only to Fairmont East the rest of the way. It was a blend of the new and old that enabled the Panthers to have a successful season.

5. Cindi Bredback readies herself for competition.

'restlers win, lose

This year's season was very disappointing despite a few bright spots. Seniors Bob Newby, Connor King, and Ted Miles all had good seasons. Underclassmen like Jerry Numbers, Mickey Rice, Rod Rahrle, and Craig Risner have developed enough that coach Kolb can feel he will have a good team next year. Newby won his second consecutive city championship and Rice and Miles collected their first. Connor King was the team captain.

A time for parting:

On June 6 in the gymnasium of North High the Class of 1973 held graduation ceremonies. The "Omega" address was given by Kurt Ponting, Vice-President of the Student Body. Pris Levine, President of the Student Body gave "then Alpha." Jackie Goings delivered the invocation. Diplomas were presented by Mrs. Harriet Levine. The processional was played by the orchestra and they performed another number, "On Stage with Cole Porter." The choir sang the benediction and Psalm 98.

North Function

Principals Ponder

1. Why me Lord?
2. Mr. Lynch at the beginning of a long day.
3. This is the last time I'll buy the "Blue Plate Special!"

Ponderous Problems!

Mr. Lynch spends each school day being ultimately responsible for North. Some of his duties include the supervision of the staff, students, building maintenance, lunch, curriculum, personnel programs and supplies.

Mr. Turner is second-in-command at North. His duties include the co-ordination of data processing, scheduling of students and teachers and co-ordination orientation. He also assists the principal in teacher supervision.

1. Mr. Turner — Of course it's not your fault.

2. They're talking about me again.

Guidance for

North High School's counselors, Mr. Jaeckels, Mr. Wagner, and Mrs. Watkins have rendered many invaluable services to North high students. In addition to their counseling during school hours they also counsel parents and students after school on Tuesday evenings.

They are always ready to help with any problem, whether it concerns a schedule change or plans for further education after graduation.

the Future

1. Mr. Jaeckels — According to this file, you excelled in sandbox, majored in teddy bear and flunked nap time.
2. Mrs. Watkins — I'll put fifty on Banana Peel and thirty on Orange Rind.
3. Mr. Wagner makes appointments for counseling over the phone.

Deans Created at North

This year the positions of Dean of Men and Dean of Women were created. Mrs. Lebold and Mr. Bronston have taken on the job of being deans. They are responsible for attendance and pupil accounting, discipline, guidance and counseling, health services and students records. The above jobs are only part of the many functions they fulfill at North.

1. I told you that *those* pictures go in the back of *my* personal file.
2. This person has run up a fine of $5,354.22¼.
3. Four years of college, and this is where I end up.

The Nurse knows

1. This ought to hold it on, if not we'll use scotch tape.
2. Dr. Gannon? Dr. Gannon who?
3. *You* look fine, it's that third eye I'm worried about.

Panther Cabinet

Panther Cabinet did a lot for North this year. Not only did its fourteen members faithfully get up early each Friday morning to hang up peppy game signs, but they also sponsored several sock hops, gave the Golden Helmet and the Gold Brick Awards, as well as putting on a most successful Homecoming and backing the student body candy sale to raise money to buy new warmups for the basketball team and girls' athletics.

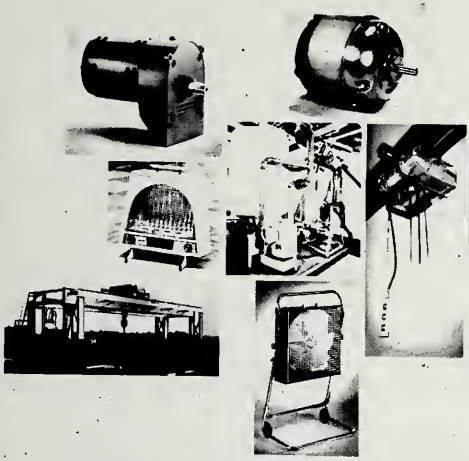
This is Robbins & Myers

Robbins & Myers, Inc. has three divisions and three subsidiaries engaged in the manufacture and marketing of a diversified family of industrial, commercial and consumer products. R & M's main plant and offices are in Springfield, Ohio; six other plants are maintained in the U.S. and Canada.



Representative products manufactured by Robbins & Myers are shown at left. They include electric motors and gearmotors manufactured by the Motor Division; portable fans and electric heaters made by subsidiary, Hunter Fan and Ventilating Company; electric hoists and gantry type overhead cranes manufactured by the Hoist and Crane Division; progressing cavity pumps made by the Moyno® Pump Division and waste control systems, a product of Wascon Systems, a subsidiary. Robbins & Myers of Canada, Ltd., the third subsidiary, manufactures electric motors for the Canadian market and markets other R & M products throughout the Dominion.
